**2. What award levels are offered by your institution? [Check all that apply]**

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or contact hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

**Part B - Organization - Calendar System**

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the spring, and Graduation Rates data in the spring. **It also impacts the net price calculation in the Student Financial Aid survey.**

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

**3. What is the predominant calendar system at the institution? [Choose one]****Academic Year Reporting Method** (Standard academic terms)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT and student charges data for a full ACADEMIC YEAR.

- Semester
- Quarter
- Trimester
- 4-1-4 or similar plan

**Program Reporting Method** (Other calendar system)

Selecting one of the following calendar types determines that your institution will provide Graduation Rates data based on a FULL YEAR COHORT, Student Financial Aid data on the 3 month cohort from Fall Enrollment, and student charges data by PROGRAM.

- Differs by program
- Continuous basis (every 2 weeks, monthly, or other period)

**Hybrid/Mixed Reporting Method** (Standard academic terms, other academic calendar)

Selecting the hybrid calendar type determines that your institution will provide Graduation Rates data based on a FULL YEAR COHORT, Student Financial Aid data on the 3 month cohort from Fall Enrollment, and student charges data for a full ACADEMIC YEAR.

- Hybrid (Other academic calendar)

**Summary****Institutional Characteristics Header Component Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2013.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568.

**Part A - Important Instructions for New COMBINED Reporting****Important Instructions for New COMBINED Reporting on Institutional Characteristics**

For Institutions with Campus Reporting

You will submit a single Institutional Characteristics component that combines data and characteristics from your main campus and all campuses that you report under the main campus. The only exception to this is the Cost of Attendance, which you will submit separately for the main campus and each campus. The Cost of Attendance screen in Part D is for the main campus; the Cost of Attendance screens in Part F are for the campuses.

Please report **combined** data for the following parts:

- Part A - Mission Statement
- Part B - Admissions Requirements and Estimated Enrollment
- Part C - Student Services
- Part D - Student Charges - all screens, **except Cost of Attendance**
- Part E - Athletic Association

Please report data **separately** for the main campus:

- Part D - Cost of Attendance

Please report data **separately** for each campus:

- Part F - Award Levels; Full-time, first-time students; Cost of Attendance

The Part F screens will be provided for the submission of separate data by campus. Please note that the Part F list of campuses will not appear on the IC menu bar until you have responded to screening questions in Parts B and D.

Screens will also be provided so that you can update the Institution Identification information for each branch campus.

**Part B - Admissions and Estimated Enrollment**

**1. Does your institution have an open admission policy for all or most entering first-time degree/certificate-seeking undergraduate-level students?**

If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

If your institution does not have an open admission policy, you will be expected to answer additional questions (B2, B3, and B4) regarding your admissions procedures and admissions yield.

Yes

No

 You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

**Part D - Student Charges Questions****1. Are all full-time, first-time degree/certificate-seeking students required to live on campus or in institutionally-controlled housing?**

If you answer **Yes** to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).

## Institutional Characteristics Component Summary Academic Year Reporters

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2013.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
