You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

Santa Clara does not offer "transfer out" programs (i.e. programs designed to prepare students to attend another institution instead of completing their degree at Santa Clara). Santa Clara does not track the enrollment outcomes of students who leave before completing their degree and has incomplete data on subsequent enrollment. Use results with caution.
